Trinity

"I have been to Trinity Manor for rehabilitation and nursing care in the past and chose it again after my recent hospital stay. The staff is very caring and they always help me reach my goals"
- Anna Mae Clevenger

*When there's a need,
there's Trinity...*

Therapy Services

Trinity Manor offers individuals the nursing care and therapy services needed following an illness or injury.

Our short-term stays can provide a bridge between a hospital stay and a safe return home. The therapy team works with you to achieve your goals through an individualized rehabilitation plan that may include a focus in the following areas:

Physical Therapy

- Balance and fall prevention
- Increase muscle control and balance
- Improved ambulation and mobility
- Minimize pain

Occupational Therapy

- Bathing and dressing
- Meal-planning and eating
- Household management
- Orthopedic injury and prevention therapy

Speech Therapy

- Swallowing evaluations and retraining
- Language and communication improvements
- Aural rehabilitation and hearing aid training
- Memory and problem solving

Care and Comfort

Our staff is available 24 hours a day, seven days a week and our goal is to provide the very best care possible. Whether your stay is short-term or extended, we strive to provide you with at-home comforts, in-house activities and a personalized plan of care.

Skilled Nursing Services, Including:

- IV therapy
- Wound care
- Medication management

Social Services

- Assist in the management of your stay
- Discharge follow-up preparation and planning
- Individualized counseling

Life Enrichment and Activities, including:

- Exercise classes
- Arts and entertainment
- Religious programs and services

Friends and family are always encouraged to visit!
